

## **Alexis Pint: 2015 Hudson Educational Fund Scholarship Recipient**

Alexis is enjoying her freshman year at Iowa State University where she is studying industrial engineering and plans on earning a master's degree in business administration in the future. "I have really enjoyed the tremendous amount of opportunities college has provided me with thus far. It has been extremely easy to get involved on campus- there really is something for everyone," Alexis said. She has been involved with the Catholic Church on campus, volunteering at a Care Center, and participating in intramural sports as well.

"Knowing that the Hudson Educational Fund committee supported my educational goals and receiving a HEF scholarship was very encouraging and gave me the confidence and assurance I was looking for in pursuing my dreams to attend Iowa State and major in engineering," Alexis stated.

Alexis advises the 2016 seniors of Hudson High School to look forward to your future plans with excitement and anticipation, but don't forget to enjoy where you are right now. She says, "As much as you're going to love the whole new world of college and all it has to offer, it is a huge transition. There will be parts of high school you will miss, so cherish them now while you are able. Also, thank your mom and dad now for doing your laundry and taking care of you. They make balancing all of the responsibilities of adulthood look easy- trust me!"
